## INFORMATION NOTICE

### PROVISION OF EIS<sub>x\_y\_z\_i</sub> TOROIDAL MIRRORS FOR THE FERMI@ELETTRA EIS-TIMER BEAMLIN

Sincrotrone Trieste S.C.p.A. ("ST") will award the contract for the provision of 24 (twenty-four) toroidal refocusing mirrors called EIS<sub>x\_y\_z\_i</sub> for the FERMI@Elettra EIS-TIMER beamline, including drafting the design technical file, construction and testing, complete with optical coating of the surfaces where applicable so that the mirrors are ready for installation, the costs of packaging, insurance and transportation to the premises of ST, through a negotiated procedure without publication of contract notice in accordance with article 57, paragraph 3, letter a) of Legislative Decree no. 163/2006, as amended.

The estimated overall value of the provision subject to tender is € 400,000.00 (four hundred thousand euros), net of VAT in accordance with the law (no additional safety costs are involved).

The contract will be awarded through a negotiated procedure subject to the implementation of an unofficial tender process between no fewer than three companies/subjects, where suitable subjects can be found in such number, and after publication of this notice on this site. If, after publication of the notice, there is not a sufficient number of candidates, ST reserves the right to add to the candidate pool trusted companies that possess the requested requirements, detailed in Sections 1, 2, and 3 of the form "Request to participate in the tender and enclosed self-declarations".

Any interested company may present its request to participate by filling in the form "Request to participate in the tender and enclosed self-declarations" sent in a sealed envelope that should be delivered no later than 4.00 p.m. on 24.01.2012 to the following address:

Sincrotrone Trieste S.C.p.A  
S.S. 14 km 163,5 in Area Science Park  
34149 Basovizza – Trieste – Italy  
Attn: Attività Approvvigionamenti (Purchasing Department)

The following shall be written on the outside of the envelope containing the request: "Contiene istanza di partecipazione – Fornitura di specchi rifocalizzanti toroidali EIS<sub>x\_y\_z\_i</sub> destinati alla beamline EIS-TIMER di FERMI@Elettra" ("Contains participation request – Provision of EIS<sub>x\_y\_z\_i</sub> toroidal refocusing mirrors for the FERMI@Elettra EIS-TIMER beamline").

Applicants will be sent the documentation necessary for participating in the tender. The documentation sent will include the instructions for participation as well as confirmation of the requirements that the candidate shall meet in order to be admitted to the tender. Enclosed for reference are the Technical Specifications entitled "Technical Specifications for the Production of EIS<sub>x\_y\_z\_i</sub> Toroidal Mirrors for the FERMI@Elettra EIS-TIMER beamline" FESD no. 081-ITA rev. 6 dated 22.11.2011, and the time schedule, both of which are subject to modifications at the time when sent to candidates.

The supply contract will be awarded in accordance with article 83 of Legislative Decree no. 163/2006, as amended, according to the most economically advantageous offer, based on the following evaluation criteria: price, reduction in delivery times and the technical parameters of the mirrors referred to in Tables 1 and 2 of the aforementioned Technical Specifications.

Michele Svandrlík is in charge of this process, in accordance with article 10, paragraph 9 of Legislative Decree 163/06, as amended.

For any technical information please send a fax for the attention of Marco Zangrando on +39 040/9380906.

For any administrative information please send a fax for the attention of Stefania Brescia or Daniela Maggi on +39 040/9380906.

Sincrotrone Trieste S.C.p.A. reserves the right to discontinue the procedure or not to award the tender without being required to grant any right or monetary fee to candidates for participating in this procedure.
